

# **Alyson Neighbors**

“Adventurers are tolerant and friendly, & usually just do what needs to be done regardless of whether their colleagues pull their own weight”

# **Real world life experience**

- 10+ years in the workforce
- Lead tech at work
- People skills

# Technical Skills

- Enjoy coding
- Writing code for a website allows more freedom
- When code isn't working its like a puzzle to solve
- Fast learner

adventurer personality type =  
worrying about letting others down
